Good morning, Karla.

Thank you for letting us know that you will only have a few hours of work you can do before the shutdown. I hope Congress can resolve things soon.

Here is the site eligibility form for the Waterworks Park Property. We would like to use Petroleum funds for a portion of the assessment because migration of petroleum wanted to send this to you first. I'm trying to get SAP wrapped up and to you this morning also.

Thank you for your help!
